

Safe Environment Training for Children -- Opt-Out

The Bishops Charter for the Protection of Children and Youth and the Safe Environment Policies of the Archdiocese of New York require that all children in our schools and religious education programs be given safe environment training that is age-appropriate and in accord with Catholic moral principles. The Archdiocese of New York provides such training through the curriculum entitled "Right, Safe, and Good Relationships", and by offering parents supplementary training materials (which are available on the internet at www.archny.org/pastoral/safe-environment-program/training/). If you choose not to have your child participate in this training, please sign this form, and acknowledge that the supplementary training materials have been offered to you which are at the above website.

Please return this form if you wish that your child NOT participate.
